Please remember to **sign in** when you serve. If **not** assigned **please check in** before sitting with your family to make sure we have coverage. If unable to keep an assignment it is **your responsibility** to get a replacement. Do not call the parish center to declare an absence as there might not be anyone available to take your call. As always, thank you for your service in this ministry.

Any questions, please call Jeanne Nuñez at (670-4522), 546-0554.
